

## HIGH SCHOOL SENIOR

### Scholarship Program

The Annie Forts "Up" Syndrome Fund awards scholarships for higher education to deserving people who intend to pursue studies in the field of **Special Education**. These scholarships will be awarded to graduating high school seniors and others, with appropriate academic and other qualifications, who intend to follow college curricula leading to careers in the education and preparation of people with special needs, such as those with Down Syndrome. Criteria employed in the selection of scholarship winners are academic achievement, financial need, community involvement and evidence of a strong interest in the field of Special Education as a career.

Application forms may be obtained from student guidance counselors at public high schools in the Lakes Region of New Hampshire, or by writing to the Awards Committee, Annie Forts "Up" Syndrome Fund, Inc., P.O. Box 838, Moultonboro, NH 03254, or at [anniefortsupfund.org](http://anniefortsupfund.org). **The final deadline for submitting completed applications, with SAT scores, scholastic records and essays is April 15.** Other attachments to your application, which may help us in understanding your qualifications, may be added at your discretion.
